

HEALTHY

a journey from waste to wear

SEAS

Operation Ghost Farms Reclaiming Waters

354.58 tons

of marine litter removed
from abandoned aquaculture sites at sea

That is equal to the weight of **about**
28 double-decker buses

Comparison based on weight, not volume.

Collected across

7 projects

in

5 locations in Greece

Menidi

Ithaca

Patras

Salamina

Methana

By removing abandoned fish farm debris from the water, we help reclaim marine spaces for life to return
